

NASCAR Whelen Late Model Race & Points Format 2015

- All cars will Time Trails, 2 laps for starting position in first 35.
- 26 cars will Qualify thru time
- 2 highest unqualified **NASCAR Whelen** points cars will have an option for a provisional starting spot, positions 27 and 28 (opening night unqualified cars will draw for positions 27 and 28).
- 28 cars will start 35 lappers.
- First 35 will start straight up fastest car on pole and so on down the line.
- Second 35 will start as a 14 car inversion of the **Finish** of the first 35 , 14th on pole and 1st will start 15th , 15 to 28 will start in spot finished in first 35.
- Any qualified driver in the first 35 occurring mechanical problems may borrow a car for the second 35 provided that car has made an attempt to qualified by another NASCAR registered driver, if driver cannot obtain a car for the second 35 then the first non qualified car by time trail will fill the empty position, if driver obtains a car already qualified for the race then the first non qualified car will fill the empty position of the borrowed car, all cars will start scratch.
- NASCAR Whelen points will be the best 18 nights's completed, Sunset points will be calculated over all completed race nights on the same points system as 2014, and it is possible to have a track champion and a different NASCAR Whelen champion.
